A New Approach to improving air quality

By agglomerating volatile and solid Ultrafine Particles into fewer and more massive Particulates, PEMRED enables better filtration and less downstream nucleation.

PEMRED AG

Formed as a private company in Q1 2012

Incorporated in Zurich in August 2013

PEMRED Technologies Ltd – R&D subsidiary, based in Israel.

Prof. E.
Sher

Prof. D.
Katoshevski

Mrs. M.
Mendelevich

Mr. A.
Luttinger

PEMRED owns 4 patents: Israeli Patent 215184, PCT patent EP2414645B1, USA patent 9121317 B2, and China Utility Model patent 201420056315.3. The three inventors are Directors of PEMRED. The company is owned by Swiss and Israeli investors.
