Unmissable Appointments Events

2018 June 18 - 21st ETH-Conference on Combustion Generated Nanoparticles | Zurich

Focus Event: Emissions of in-use vehicles - Quality and Control

The ETH Conference on Combustion-Generated Nanoparticles serves as an interdisciplinary platform for expert discussions on all aspects of nanoparticles, freshly emitted from various sources, aged in ambient air, technical mitigation aspects, impact of particles on health, environment and climate and particle legislation. The conference brings together representatives from research, industry and legislation. International workshop on solutions for eliminating Diesel and gasoline emitted soot from urban air

2018 March 15 9th VERT FORUM | Zurich/Duebendorf

20 years of VERT emission control certification

Lifelong BAT for emission control of in-use and OE-vehicles and PTI

The VERT forum is an excellent occasion to learn more on the latest trends in diesel filter and deNOx-technologies and their real-world performance. The integration of both, best available particle filter and deNOx-technology is needed to successfully combat particles and nitrogen oxides in diesel and

○ Save the date

- 22nd ETH-Conference on Combustion Generated Nanoparticles
- **June 18th - 21st, 2018** at ETH Zurich, Switzerland
- **Focus Event:** Emissions of in-use vehicles: Quality and control equipment manufactures

VERT Association

Application Form For VERT* Association Membership

The yearly full membership fee is according to the table below and related to the size of the company. This gives access to VERT information, newsletters about emission reduction, world wide emission reduction projects and related trends and verification schemes of emission reduction technologies.

Please include the following contact person and information into the table for the VERT database.

Company:

Contact person: _____
 Email | Phone: _____
 Invoice address: _____
 We herewith apply for becoming a VERT Association member: _____
 Signature: _____
 Date: _____

Company classification and annual fee (Please define your Company)

Company size	Condition	Annual fee
<input type="checkbox"/> Private person	1 Person no business	1.000,- CHF
<input type="checkbox"/> Start-up	1 employee	1.875,- CHF
<input type="checkbox"/> Small business	< 10 employees and max 2 Mio. CHF turnover D.a.	3.750,- CHF
<input type="checkbox"/> Medium size company	< 300 Mio. CHF annual turnover	7.500,- CHF
<input type="checkbox"/> Large size company	> 300 Mio. CHF annual turnover	13.000,- CHF

VERT Association is a non-profit organization
 registered in the Swiss Register, Switzerland
 Registration No. 400.031.433-9
 Represented by Jan Christian Gross, President

Zürcher Kantonalbank, CH-8100 Zollikon
 Current No. Bankleitzahl: 700
 VERT* Code: 083C30303
 IBAN/BLZ No.: CH682010011000184832

Thank you very much for coming
See you tomorrow on the focus event
